Additional description

Robust side table with luxury touch
Black MDF wood with marble print
Available in two sizes
H 40 x W 60 x D 60 cm

This sturdy Benji side table is from the collection of the Dutch brand WOOD. With its flat square shape the Benji is very flexible in use, the six sides are all closed. Benji is hollow inside, which limits the weight to 17 kg.

The Benji side table is 40 cm high, 60 cm wide and 60 cm deep. To protect hard floors, place felt glides under the side table, this prevents scratches. The Benji side table is also available in a smaller version of 40x40 cm, a nice duo to combine! Benji is easy to keep clean with a dry, soft cloth....
