Comfortable and robust. The design of the Pepper easy chair, from the collection of Dutch brand WOOD, combines it all. A lovely detail of Pepper is the modern stitched upholstery in the seat and back. The sofa has a low, synthetic black leg. Pepper has an extremely comfortable seat. Relaxing has never been so stylish!

The Pepper series also includes a corner element and an armchair. You can put the sofa together yourself by combining separate elements. With a 2-seater to create a 3-seater sofa, or with a corner element to create a corner sofa. Pepper can be combined with the corner element, the armchair and the 2-seater sofa to create a lovely, spacious corner sofa.

The armchair is easy to clean and helps to prevent damage. Polyester
