#### Additional description

Stylish 2-seater  
Available in various colours and versions  
Unique, accessible design item  
H 79 cm x W 200 cm x D 92 cm

Comfortable and robust. The design of the Pepper 2-seater sofa, from the collection of Dutch brand WOODOO, combines it all. A lovely detail of Pepper is the modern stitched upholstery in the seat and back. The sofa has a low, black plastic leg. Pepper has an extremely comfortable seat. Relaxing has never been so stylish!

The Pepper series also includes a corner element and an armchair. You can put the sofa together yourself by combining separate elements. With an armchair to create a 3-seater sofa, or with a corner element to create a corner sofa. Pepper can be combined with the corner piece, the armchair and the 2-seater sofa to create a lovely, spacious corner sofa.

The sofa is easy to clean with a Hoover. Use soft brushes to vacuum the sofa in order to prevent damage. Polyester absorbs little moisture and dirt. If you have spilled anything, dab it dry with kitchen paper or a tea towel.
