Generous luxury in an airy design. The Elegance coffee table clearly lives up to its name. This slender coffee table of the Dutch brand vtwonen has a subtle size and a very slim design. The coffee table fits easily into various interior styles.

Material

The top of the Elegance coffee table is made of mango wood with a matte black finish. Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grains or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged. The base of the coffee table is made of strong metal with a matte black powder coating.

Dimensions

The coffee table has a height of 43 cm, the table top is 3 cm thick. The table top has a width of 100 cm and a depth of 60 cm. The metal frame has a thickness of \varnothing 3 cm. The middle bar is reinforced and slightly narrower than the legs, \varnothing 2 cm, it is 22 cm above the ground.

Maintenance

Mango wood furniture is easy to maintain...
