With the Dining dining chair you get a visibly and tangibly comfortable seat in the dining area. The Dining chair comes from the collection of the Dutch brand vtwonen and has a sleek and stylish design. The seat and armrests of Dining are covered with a high quality teddy fabric (100% polyester) in the timeless colour off white. The frame is made of metal with a matte black powder coating. The Dining dining chair can carry 120 kg and weighs just over 9 kg.

The Dining chair is 83 cm high, 62 cm wide and 53 cm deep. The seat height is 52 cm. The seat is 44 cm wide and 45 cm deep. The back extends 36 cm above the seat. The armrests are connected to it and are 18 cm higher than the seat, which makes for a comfortable, secure seat. The legs are 43 cm high and taper from a diameter of 3 cm at the top to 2 cm at the bottom.

To protect hard floors, place felt glides under the legs. This prevents damage. The teddy fabric of the seat and armrests is easy to keep clean with ...
