Create your ideal dining area with the elements from the Tablo series by Dutch interior design brand WOODO. Tablo has many combination possibilities and various sizes available to furnish your dining area in an exactly fitting manner. Choose, for example, this organically shaped table top for a playful effect!

### Material

The tabletop is made of sanded oak with FSC certification. The oak tabletop is finished with a clear lacquer and an extra matte finish.

### Dimensions

The organically shaped table top has a width and depth of 130 cm, but cannot be called round or square. The tabletop has a thickness of 2.4 cm.

### Maintenance

Keep the tabletop dust-free with a clean, dry cloth. Stains can easily be removed with a slightly damp cloth, detergent is not necessary but drying afterwards will ensure a streak-free result.

### Delivery

The round and oval Tablo t versions are not. The pre-drilled tabletops indicate which drilling pattern should be chosen
