The Hajo corner sofa is a generous, comfortable corner sofa with a basic and warm look. This sofa has a sturdy combination fabric of polyester and polyacrylic, in a off white melange and fits well in today's interior. The melange fabric has a Martindale of 30,000, which ensures that Hajo can take a beating. The sofa has loose back cushions and a firm and excellent seating comfort. The Hajo sofa can be ordered with the corner on the left and right. This makes the sofa suitable for multiple interior configurations.

The seating depth of the sofa is 63 cm, the total depth of the lounge area is 197 cm. The height of the armrest is 60 cm.

This sofa is delivered as individual elements and is easy to assemble by means of brackets. For hard floors, place felt glides under the legs to prevent damage to the floor. The brown wooden block legs are delivered assembled....
