Additional description

Comfortable dining chair
Upholstered in soft ribbed fabric
Tube frame made of chromed metal
H 83.5 cm x W 48 cm x D 52 cm

This comfortable tubular chair is an asset to any dining area. Because of its slim model and firm seat, this dining chair is perfect for long evenings at the dinner table. The anthracite colored rib fabric feels soft and is made of 100% polyester, this makes the fabric easy to maintain and suitable for intensive home use.

The tubular frame dining chair is 83.5 cm high, has a seat height of 49 cm and stands on 43 cm high legs. The width and seat width of the chair is 48 cm and the seat depth is 45 cm. The backrest and seat have a space of 10 cm between them, both are 6 cm thick and very comfortable. The frame of chromed metal is \varnothing 3 cm. The dining chair can carry a maximum of 125 kg.

To protect hard floors, place felt glides at the bottom of the tubular frame. The chair is delivered as a simple construction kit with clear assembly instructions....
