natural/yucca

Additional description

Handwoven rug

Made of jute and cotton in natural and yucca hue (80% jute/20% cotton)

Suitable for heated floors

W 170 x D 240 cm

The Rug rug from the collection of the Dutch brand Basiclabel is totally contemporary and gives a carefree holiday atmosphere and good foundation to any space. The Rug is made of 80% jute and 20% cotton in a natural and yucca colour. The use of jute makes the rug heat-permeable and it can easily be placed on a floor with underfloor heating.

Maintenance

To enjoy the rug for as long as possible, it should be vacuumed regularly without a brush and turned regularly to avoid runs in the rug. In case of stains, remove them with a damp cloth....
