The name of this robust TV cabinet leaves nothing to the imagination. Bonk has a tough look with its straight lines. This TV cabinet is made of solid pine with a soft mist colour. Behind the cabinet width, you will find more than enough storage space for equipment and the things you prefer to keep out of sight.

Bonk has 5 stable legs. With a width of 120 cm, this piece of furniture fits into any living room. Bonk is 45 cm high and 40 cm deep. A subtle lock keeps the cupboard door closed, which makes the furniture very user-friendly....
