Additional description

Round side table with raised edge
Made from MDF and pine wood
Finished in a protective matt black lacquer
H 35 cm x ø 76 cm

A sturdy and solid side table, this Beira. The Beira side table comes from the collection of the Dutch brand Basiclabel. Beira is made of partly MDF wood and partly solid pine wood with a matte black coating. The side table has a handy raised edge (5 cm) that provides safety for glasses and snacks. The staggered position of the legs makes the Beira side table surprisingly stable.

The Beira occasional table has a height of 35 cm. The top is ø 76 cm, the edge is 6 cm high, sticks out 5 cm above the top and is 0.5 cm thick. The three legs have a height of 29 cm and are 4x4 cm thick. The Beira table weighs 5.3 KG and can carry 10 KG.

The Beira side table is also available in a smaller version, the two together make a sturdy pair. To protect hard floors, place felt glides under the legs....
