Our successful Gravure series in a new jacket! This Gravure New TV furniture, from the collection of the Dutch interior design brand WOODO, is available in two sizes: 100 cm wide and 150 cm wide. Gravure New TV furniture is made of ash wood and finished with a warm brown, espresso-coloured stain. The interior is made from black chipboard. The legs are made of metal with a black coating. The Gravure New TV cabinet has two doors with a silent push-to-open system.

The Gravure New TV cabinet is 56 cm high, 100 cm wide and 44 cm deep. The two doors are each 37 cm high, 50 cm wide and 2 cm thick. The line pattern on the handleless door fronts gives the Gravure its attractive, recognisable look. The unit features two removable shelves which are also height-adjustable. The shelves create four compartments measuring 18x50x42 cm (height x width x depth). The metal legs are 15 cm high and have a diameter(Ø) of 2cm. Behind each door a circle is milled out for the wiring (Ø 50 cm), this is 40 cm high from the ground.

Are you combining several New Engravings next to each other? Then simply connect both pieces of furniture with one leg in front and one behind, stylish! Ash wood is a natural material which we like to emphasise, the characteristic grain is different in each article. This makes each piece of furniture unique.
