Our successful Gravure series in a new look! This New Gravure sideboard, from the collection of Dutch interior brand WOODOOD, has an even slightly more generous size than its stylish predecessor. New Gravure sideboard is made of oak veneer with a clear stain. The interior is made of chipboard in a mist gray tone. The legs are made of metal with a black coating. The New Engraving sideboard features four doors with a silent push-to-open system.

The New Engraving sideboard has a height of 85 cm, width of 200 cm and depth of 44 cm. The four doors are each 66 cm high, 50 cm wide and 2 cm thick. The linework on the handleless door fronts gives the Gravure its attractive, recognizable appearance. The sideboard features four removable shelves that are also height adjustable. The shelves create eight compartments measuring 32.5x47.5x41 cm (height x width x depth), so plenty of storage...
