- Made of metal with an antique brass coating

Meet Glossy, this playful round item from the collection of Dutch brand BePureHome. Glossy is very flexible and because of its small size can easily be placed anywhere. Place Glossy for example next to the bed as a nightstand or under the coat rack as storage for hats and gloves.

Material

Glossy is made from strong metal with an antique brass powder coating. This strong material can take a beating, but doesn't like dampness, which can cause rapid rusting.

Dimensions

Glossy is 48 cm high, the crossed legs are 19 cm high and have a Ø of 1 cm. The two metal drawers have no runners, the front is semi-circular which makes for a remarkably spacious interior. HxWxD: 12x26x27/31 cm.

Maintenance

Powder-coated metal is very easy to maintain. You can easily keep the item clean on a weekly basis with a dry, clean cloth. Do not use any chemical cleaning agents, as these may damage the powder coating. Dry any damp spots immediately, this prevents rings.

Delivery

The round cabinet is delivered in one package, fully assembled. To protect hard floors, place felt gliders at the bottom, this prevents damage....
