This slim bedside table comes from the collection of the Dutch brand BePureHome. Polite is, as its name describes, very friendly and gentle because of its rounded design. Extra handy: the two shallow drawers offer space for small things you'd rather put out of sight!

Material

Polite is made of strong metal with an antique brass powder coating. This strong material can take a beating, but doesn't like dampness, which can cause rapid rusting. The two drawers are made of wood with a black colouring. The robust wood has a distinct grain pattern which gives the cabinet a tough look.

Dimensions

The bedside table has a height of 62 cm, the U-shaped legs are 22.5 cm high and have a Ø of 1 cm. The two wooden drawers do not have runners. The drawer fronts are 10x40 cm (hwx) and 1.5 cm thick. The drawers are 8 cm high, 37.5 cm wide and 32 cm deep. The top of the cabinet is 36 cm square. The compartment below it is 14 cm high.

Maintenance

Powder-coated metal is very easy to maintain. You can easily keep the item clean on a weekly basis with a dry, clean cloth. Do not use any chemical cleaning agents, as these may damage the powder coating. Dry any damp spots immediately, this prevents rings.
