Compact luxury, a lovely seat for a cup of coffee and a good book. The popular Vogue series has been extended with a playful lounge chair. The Vogue series, by the Dutch brand BePureHome, is known for its ultimate seating comfort and luxurious fabric options. This lounge chair is no different. Will you choose one of the soft velvets or a sturdy recycled leather?

Material

Our Ecole leather is a combination fabric with recycled leather. The combination fabric is made of 70% leather remnants, ground and spun into new thread, interwoven with polyester (30%). The recycled leather has a Martindale rating of 30,000. The base of the Vogue lounge chair is made of a combination of recycled wood and metal. The seat is made of a combination of recycled leather and polyester.
