Additional description

- Trendy plant pot on high legs
- Made of strong metal in a deep black colour
- Also available in a toffee colour and multiple sizes
- H 40 cm x ø 24 cm

Plant pot Arda fits, with its stylish design, easily into many interior styles. Arda comes from the collection of the Dutch interior design label WOODOO. The strong metal of the plant pot ensures a stable stand and great carrying capacity. Arda's black colour contrasts beautifully with the many shades of green of the houseplant. The Arda plant pot is only suitable for indoor use.

Arda plant pot has a total height of 40 cm. The pot stands 16 cm above the ground, is 24 cm high and has a diameter of 21 cm. Arda is not suitable for potting plants, therefore place the houseplant with the plastic pot in the metal plant pot of the Arda. Water the houseplant outside of the Arda, for example by putting the plant with its plastic pot in a bowl of water.

Arda is available with a height of 40 cm and 48 cm in the colour toffee or black...
