BENSON BUREAU PINE BLACK [fsc]

The mark of responsible forestry

wood

#### Additional description

- Robust and sturdy desk
- Made of solid Scandinavian pine (FSC)
- Part of the Benson series
- H 75 x W 140 x D 62 cm

This desk is part of the Benson furniture series from the collection of the Dutch brand WOOD. The Benson series is known for its robust, tough look of matt black wood.

#### Material

The whole series is made of a combination of solid Scandinavian pine (FSC), lacquered HDF and melamine chipboard. The pine furniture in our collections is FSC-certified and is treated in various ways. The Benson series of brushed pine is known for its characteristic grain pattern and weathered appearance. Pine wood is characterised by a light yellow colour and visible flame markings. The matte black finish means that these grain markings can still be seen in slight relief.

#### Dimensions

The desk has a height of 75 cm, is 140 cm wide and 62 cm deep. In the two drawers there is plenty of space for things you prefer to keep out of sight. The middle section, between the drawers, is an open compartment.

#### Care instructions

Untreated pine wood has a relatively short lifespan, on average 5-10 years. For this reason, we treat our pine furniture in order to extend its life span considerably. Treated pinewood is easy to keep clean with a slightly damp cloth. To avoid rings and spots in the wood, it is advisable to dry damp spots immediately.

#### Delivery

The Benson desk is delivered in one package and is easy to assemble by means of the enclosed assembly instruction. To protect h...
