- Made of massive Scandinavian pine (FSC)
- Part of the Benson series
- H 56 x W 180 x D 46 cm

This TV furniture is part of the Benson furniture series from the collection of the Dutch brand WOOD. The Benson series is known for its robust, tough look of matt black wood.

Material

The whole series is made of a combination of solid Scandinavian pine (FSC), lacquered HDF and melamine chipboard. The pine furniture in our collections is FSC-certified and is treated in various ways. The Benson series of brushed pine is known for its characteristic grain pattern and weathered appearance. Pine wood is characterised by a light yellow colour and visible flame markings. The matte black finish means that these grain markings can still be seen in slight relief.

Dimensions

The TV cabinet has a height of 56 cm, is 180 cm wide and 46 cm deep. Behind the two doors there is plenty of room for all kinds of equipment and cords. There are cable holes in the back of these closed compartments. The middle compartment is divided by a strong shelf.
