natural

## Additional description

- Oak table top (FSC-certified)
- Mat black metal base
- Create your ideal dining area with the Tablo elements
- H 75 cm x W 130 cm x D 130 cm

Create your ideal dining area with the elements from the Tablo series by Dutch interior design brand WOODO. Tablo has many combination possibilities and various sizes available to furnish your dining area in an exactly fitting manner. Choose, for example, this organically shaped table top for a playful effect in combination with two times the matte black 2-stand leg.

## Material

The tabletop is made of sanded oak with FSC certification. The oak tabletop is finished with a clear lacquer and an extra matte finish. The table legs are made of 50x50 mm steel tube, KD structure and are powder coated in matt black.

## Dimensions

The organically shaped table top has a width and depth of 130 cm, but cannot be called round or square. The tabletop has a thickness of 2.4 cm. The legs are each 5x5 cm and adjustable in two positions: vertical and slightly outward.

## Maintenance

Keep the Tablo tabletop dust-free with a clean, dry cloth. Stains can easily be removed with a slightly damp cloth, detergent is not necessary but drying afterwards will ensure a streak-free result.

## Delivery

The Combi-Tablo items are delivered in several packages ...
