JASPER COFFEETABLE METAL BLACK

wood

Material aluminium

Color finish black

Additional description

- Striking coffee table
- Made of aluminium with a matt black coating
- Only suitable for indoor use
- H 37 cm x Ø 64 cm

Extremely striking due to its playful design. The Jasper coffee table is a true eye-catcher in your home! The round side table has a unique design and therefore looks organic and airy. Combine Jasper easily with various living styles, he fits in every picture.

Material

Jasper is made of strong aluminium with a matt black powder coating. This strong material can take a beating, but it doesn't like dampness, which can cause rapid rusting.

Dimensions

The Jasper coffee table is 37 cm high, slightly lower than the average seat height of a sofa. In diameter, Jasper is a very generous 64 cm. You can place the occasional table with an easy mind. Weighing 13 kg, Jasper is very stable in its place.

Maintenance

Powder-coated aluminium is very easy to maintain. You can easily keep the item clean weekly with a dry, clean cloth. Do not use any chemical cleaning agents, as these may damage the powder coating. Dry any damp spots immediately, this prevents rings.

Delivery

The coffee table is delivered in one package. To protect hard floors, place felt gliders at the bottom. This prevents damage.
