EXOTAN

Color finish

stone grey

Additional description

- Generous lounge corner sofa for outdoor use
- Made of aluminium with a waterproof cover
- Available as left and right version
- H 60 cm x W 262 cm x D 246 cm

The generous Sicily series by the Dutch outdoor brand Exotan is suitable for the spacious garden or balcony to enjoy long summer days with the whole family. The spacious seat and luxurious lounge area provide the ultimate relaxing moment for 4-6 people. Are you ready for the summer?

Material

The Sicily series of Exotan is made of an aluminium frame with a matte black coating. The fabric cover is resistant to various weather conditions and is waterproof. The cushions have an open structure at the bottom, so the water can run out quickly. This also makes the lounge set dry again quickly.

Dimensions

The lounge set has a height of 60 cm, a width of 262 cm and a depth of 246 cm. The seat height of the Sicily corner sofa is 40 cm including seat cushion. The seat width of 155 cm and the seat depth of 56 cm provide a very generous seat. The arm and backrest are 21 cm high, measured from the seat. The legs are 12 cm high and 3x3 cm. The maximum load of the Sicily lounge set is 500 kg when evenly distributed.

Maintenance

It is recommended to store the cushions during heavy rainfall or to place them at an angle. To speed up drying after a shower, we recommend wiping the elements with a dry cloth before use. Protect the furniture ...
