An armchair like this one stands as a clear element in the home, its name already betrays that. This Statement armchair from the collection of the Dutch BePureHome is pure and tough. The armchair is upholstered with a velvet fabric (100% PES) in a warm green colour, which gives the armchair a chic look and feel. Statement's design is basic, but of course its size makes it stand out. The Statement armchair is available in several variants, fabrics and colours.

Statement has a seat height of 45 cm, a seat width of 83 cm and a seat depth of 63 cm. The legs have a height of 18.5 cm and are made of black lacquered birch.

Maintenance

The Velvet fabric with velvet aspect is soft, has a full heavy quality and is suitable for intensive use. The fabric has not been tested for additional treatments and therefore we do not recommend impregnating the sofa. If this is deemed necessary, it is at your own risk and we advise you to test it out in a spot - out of sight.

In the case of hard floors, place felt glides under the legs. This prevents damage to the floor....
