Additional description

Stijn is a new series of locker cabinets from WOOD. It's a sturdy cabinet made out of solid pine in the colour steel grey. This spacious 2 door locker cabinet is a genuine storage. There are 4 fitted shelves behind each door. To give a nice locker effect it looks like there are 4 doors in it, for the sake of convenience these are two larger doors. This cabinet is perfect for the bedroom, but also very trendy for an office. The cabinet is delivered as individual elements with clear assembly instructions....
