## MORI COFFEETABLE MANGO WOOD BLACK

basiclabel

### Additional description

- Tough, robust side table
- Organic design with rounded corners
- Made of coated mango wood
- H 51 cm x Ø 45 cm

Stylish and sturdy, that's the Mori side table from the Dutch Basiclabel collection. The Mori side table has a striking design due to its original leg design and rounded top. The matte black coating gives Mori a quiet look, perfect as a stable base in any interior.

### Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour nuances. The grains, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.

### Dimensions

The Mori side table has a height of 51 cm and a diameter of 45 cm. The occasional table has a maximum load of 15 kg when evenly distributed. Aloe has a weight of over 9 kg.

### Maintenance

Mango wood furniture is easy to maintain. You can easily keep them dust- and stain-free with a slightly damp, clean cloth. Mango wood items are only intended for indoor use. An extra treatment or protection is possible with a transparent coating, but is not considered necessary for the first few years. Always consult a paint shop for advice and information on treating the mango wood item.

### Delivery

The item will be delivered fully assembled in one package. To protect hard floors, place felt gliders at the bott...
