The stylish design of the Winne side table gives the article a peaceful appearance. Winne is part of the BePureHome collection and stands out because of its slim metal frame and luxurious marble table top.

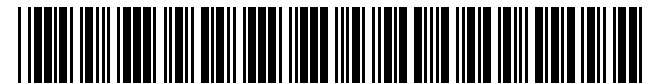

Material

The metal in our collections has various finishes, such as powder coating and brass/antique brass. The antique brass finishes in our collections are applied to the metal with a mixture of copper and zinc, which can then be finished in a brushed look, matt or shiny. Antique brass gives the furniture a weathered golden appearance.

Marble is a limestone that obtains its natural colour shades by a long exposure to temperature differences and high pressure during the formation of mountains. This process ensures that each marble item has its own unique pattern. In addition to the characteristic markings, white spots or dots can also occur in the stone. Prevent moisture stains simply by using coasters.

Dimensions

This slim side table has a height of 40 cm and is 38 cm in the round. The leg frame has a height of 37.5 cm and is 3.5 cm wide. The dimension between the legs is 32 cm. The top has a thickness of 3 cm in which the marble top (H 1.5 cm x L 37 cm) lies loose. The side table has a bearing capacity of 5 kg when evenly distributed or centrally placed. The table itse...
