GREEDY BOWL ALUMINIUM BLACK

Additional description

- Generous decorative bowl
- Made of metal
- Finished with a matt black coating
- H 11 cm x Ø 37 cm

Greedy is a generous decoration bowl for the most beautiful accessories or stylish fruit styling. This decorative bowl from the collection of the Dutch interior brand BePureHome has a coarse and robust design, but looks very elegant because of the matte black colour.

Material

The metal in our collections has various finishes, such as powder coating and brass/antique brass. A powder coating provides a luxurious matt look and protects the metal for life. A powder coating is a lacquer that is bonded to the metal using high temperatures.

Dimensions

The Greedy bowl has a height of 11 cm and a diameter of 37 cm. The opening at the top is Ø 29 cm, this is bordered by 3 cm. The content is 9 cm deep. The bottom has a flat plateau of Ø 29 cm and has three small felts to protect the surface.

Maintenance

All our metals in the collection have been thoroughly treated and do not require any re-treatment. Should the metal be damaged, please consult a specialised paint shop. Treated metal is easy to clean with a slightly damp cloth and a mild detergent, drying the surface afterwards will ensure a streak-free result.

Delivery

The decorative bowl is delivered individually with a minimum order of three pieces. The Greedy bowl is not tested water resistant, please avoid this....
