COURSE WIND LIGHT METAL ANTIQUE BRASS

Color finish

Metal

Additional description

- Wind lamp with striking design
- Made of metal with an antique brass coating
- Part of the Course series
- H 27 cm x Ø 27 cm

Organic design immersed in an antique gold colour bath. The Course series not only looks very luxurious, the light distribution of this lamp collection certainly draws attention. These striking lamps come from the collection of the Dutch interior brand BePureHome. Playfully shaped metal strips that reflect the light several times, are you ready for a little magic in the dark?

Material

The metal in our collections has various finishes, such as powder coating and brass/antique brass. The antique brass finishes in our collections are applied with a mix of copper and zinc on the metal, which can then be finished in a brushed look, matt or shiny. Antique brass gives the furniture a weathered golden appearance.

Dimensions

The Course has a height of 27 cm and a circumference of 27 cm. On the inside of the windlight is a transparent glass to keep the candle out of the wind, it stands on a metal plateau 7 cm above the bottom. The glass is 13 cm high and 8.5 cm in circumference; the bottom of the glass is open.

Maintenance

All our metals in the collection have been thoroughly treated and do not require any re-treatment. Should the metal be damaged, please consult a specialised paint shop. Treated metal is easy to clean with a slightly damp cloth and a mild det...
