Neat is perfect for that one corner where a light bulb is missing, or for use as an atmospheric bedside lamp! This small hanging light has a beautiful, greyish purple/pink colour. The Neat pendant lamp comes from the collection of Dutch brand BePureHome and provides subtle light in the darkness. Have you already decided where you're going to put Neat?

## Material

Neat is made of normal glass. The glass has been coloured afterwards and is therefore very uniform. The lampshade is formed in a mould, so every Neat is exactly the same. The fitting is made of synthetic material and finished in a matt black colour. The cord is attached at the top and finds its way to the black ceiling cap in which the cord can be adjusted. The cord is made of black-coloured plastic.

## Dimensions

The glass shade of Neat pendant lamp has a height of 16 cm and is 9,5 cm round at its widest point. The opening at the top is 4,5 cm. The opening at the bottom is 4,5 cm. The black ceiling cap has a diameter of 4,5 cm.
