Additional description

- Organically shaped side table
- MDF table top and pine legs
- Playful item for a daring interior
- H 35 cm x W 100 cm x D 58 cm

The Mae occasional table has been newly added to the collection of the interior label WOOD. Mae is striking due to its playful organic shapes and slender leg frame. The raised edge around the top ensures that the contents of a toppled glass remains safely on the table, so kids proof!

Material

The table top of the Mae is formed from pressed wood resin. This gives MDF a very smooth surface. The MDF from our collections is always
