Country of origin	CN
Assembly required	Assembly required

Additional description

- Organically shaped side table
- MDF table top and pine legs
- Playful item that fits into any interior
- H 40 cm x W 61 cm x D 50 cm

The Mae occasional table is newly added to the collection of the interior label WOOOD. Mae is striking due to its playful organic shapes and slim leg frame. The raised edge around the top ensures that the contents of a toppled glass remains safely on the table, so kids proof!

Material

The table top of the Mae is made of strong MDF, the legs are made of pine wood. MDF is formed from pressed wood fibres which are bonded together under high pressure using resin. This gives MDF a very smooth surface. The MDF from our collections is always treated with a strong prime protected and ready for use
