Music lovers take note: the Jackson record shelf, from the collection by Dutch interior design label WOOD, is a must-have for every musical household. Jackson is fully equipped with space to store, display and play your favourite vinyl (record player not included).

WARNING tipping hazard!

For cabinets higher than 70 cm we recommend paying extra attention to the wall mounting. Mounting the fall prevention prevents accidents and keeps the cabinet from tipping over.

Material

The pine furniture in our collections is FSC-certified and is treated in various ways. For instance, sanded pine is very smooth and tidy and brushed pine is known for its characteristic grain pattern and weathered appearance. For an even more robust look, pine wood is band sawn. Pine is characterised by a light yellow colour and visible flame markings.
