The playful design of the Toma side table gives the article an original look. Toma is part of the WOOD Exclusive collection and stands out because of its coarse mango wood and deep black finish. The twisted design makes Toma a real mood enhancer in daring interior styles.

Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour nuances. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.

Dimensions

This sturdy side table has a height of 50 cm, width and depth of 40 cm. The table top has a thickness of 5 cm, underneath there is a playful space of 13 cm high and 24/26 cm deep.

Underneath is a circular opening of 15 kg when evenly distributed
