### Additional description

- Generous side table
- Made from black coloured mango wood
- Robust and simple design
- H 34 cm x Ø 64 cm

The stylish design of the Moises side table gives the article an original look. Moises is part of the WOOD Exclusive collection and stands out thanks to its coarse mango wood and deep black finish. The generous table top provides enough space for drinks and treats.

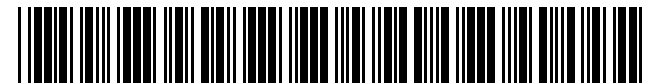

### Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour nuances. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.

### Dimensions

This generous side table has a height of 34 cm and is 64 cm round at the floor side. The table top is 60 cm round and 3 cm thick. The three legs are placed slightly to the outside and have a height of 31.5 cm, width of 5.5 cm and are 2.5 cm thick. The occasional table has a bearing capacity of 15 kg when evenly distributed. The table itself weighs just under 5 kg.
