With the eye-catcher Lloyd you bring a colour and comfort boost to your interior! The Lloyd series comes from the collection of the Dutch interior design label WOOD. The sleek design of the corner sofa forms an exciting combination with the classic-looking, padded seat.

Material

The frame is made of hardwood and plywood and covered with normal foam and zigzag springs. The back has a 30/20 kg/m³ HR foam, the seat is filled with a 35/32 kg/m³ HR foam and a layer of 30/20 kg/m³ HR foam. Lloyd is upholstered in our Loma velvet fabric and has a luxurious look. The fabric has a fine feel and a beautiful, matt sheen. The Loma washed velvet consists of 80% polyester and 20% cotton, and has a full and heavy quality. The material is therefore suitable for intensive use (Martindale 100,000). The velvet fabric will not pill easily but is sensitive to light, discolouration of exposed fabric can occur in time. The fabric is, to the surprise of many, a very easy fabric to maintain.

Dimensions

The Lloyd has a height of 77 cm, width of 267 cm and a total depth of 205 cm, the sofa part is 91 cm deep. The corner sofa has a seat height of 45 cm and a seat depth of 58 cm. The black metal legs have a height of 15 cm and ø 3 cm. This gives the corner sofa an airy and spacious look. The Lloyd series has a maximum load capacity of 100 kg per se...
