- Robust and lived-in look
- H 40 cm x W 71 cm x D 71 cm / H 35 cm x W 44 cm x D 44 cm

These two generous side tables are an eye-catching duo due to the luxurious colouring and robustly crafted metal. The Olan side table set is from the collection by the sturdy, Dutch interior design label WOOD. The large size of the two tables is a beautiful addition to a spacious living room.

Material

The Olan tables are made of strong metal with an antique brass coating. This strong material can take a beating, but does not like wetness, which can quickly cause rust.

Dimensions

The largest side table is 40 cm high and 71 cm square. The smaller version is 35 cm high and 44x44 cm wide and deep. The table top is 0.5 cm high. The metal frame of the cross legs is one centimetre thick, which gives Olan its elegant look. You can easily slide the Olan tables partly under each other for a playful effect, the space between the two table tops is then 5 cm.

Maintenance

Coated metal is very easy to maintain. You can easily keep the item clean on a weekly basis with a dry, clean cloth. Do not use any chemical cleaning agents, as these can damage the coating. Dry any damp spots well immediately, this prevents rings.

Delivery

The Olan side table set is delivered in one package. Place felt glides on the underside of the side tables to protect hard floors (4x ø 1 cm)....
