This striking candlestick comes from the Exclusive collection by Dutch interior design label WOOD. The clean lines and matte black colour make for an interesting whole that you just keep looking at. The candlestick can be combined with various accessories to create your favourite living style.

Material

The Dash is finished with a distinctive finish. The colour nuances and rough finish make each item unique. The metal in our collections has various finishes, such as powder coating and brass/antique brass. A powder coating provides a luxurious matt look and protects the metal for life. A powder coating is a lacquer that is bonded to the metal using high temperatures.

Dimensions

The candleholder has space for five tea lights of \varnothing 5 cm, depth 1,5 cm. The metal frame has a width of 2,5 cm at the bottom, but tapers towards the tea light holders to a width of 1 cm. The candlestick finds its balance on two narrow legs (H20/24 x B2,5 x D0,5 cm) and one long side that is 22 cm wide.

Maintenance

All our metals in the collection have been thoroughly treated and do not require any re-treatment. Should the meta
