Beach vibes, jungle atmospheres, bringing the Far East into your home? All these exotic styles are right up your street with the Gunn dining chair. This stylish piece is from the Exclusive collection by Dutch interior brand WOOD and is very flexible. The pine construction and rattan finish make Gunn a welcome addition to any dining area.

Material

The pine furniture in our collections is FSC-certified and is treated in various ways. Sanded pine is very smooth and clean, while brushed pine is known for its characteristic grain and weathered look. For an even more robust look, pine wood is band sawn. Pine is characterised by a light yellow colour and visible flame markings.

Dimensions

Gunn has a height of 80 cm, width and depth of 54 cm. The seat height is 46 cm, seat depth 38 cm and seat width 48 cm. The back protrudes 35 cm above the seat and is 3 cm thick. The armrests are 20 cm higher than the seat, 2.5 cm thick and 48 cm long. The legs are 43.5 cm high up to the seat, the total height of the leg frame is 61 cm. The legs are each B2.5 cm x D 4/8 cm. The space between the two front legs is 49 cm, between the front and back leg it is 46 cm.

Maintenance

Untreated pine wood has a relatively short lifespan, on average 5-10 years. For this reason, we treat our pine furniture ...
