Bookazine is an attractive, modern desk from the collection of the Dutch brand vtwonen. Bookazine is made of pine with a black finish. This gives the desk a tough look. The black leather handles in combination with the black metal frame also give the desk a modern character. The worktop offers enough space for a nice workplace.

Bookazine has two drawers with two black leather handles. Each drawer is 10.5 cm high, 56 cm wide and 40 cm deep. The worktop is 117 cm wide and 41 cm deep, the 10 cm high edge provides a nice partition. The slim legs are 64 cm high and 2x2 cm. At 20 cm above the ground there is a bar to ensure the stability of the desk.

For hard floors, place felt glides under the legs. This prevents damage to the floor. The article is delivered as a simple construction kit with clear assembly instructions....
