Friendly shape, comfortable seating and silky-soft upholstery. These are the distinguishing features of the Sloping corner sofa! The Sloping series comes from the collection of the Dutch interior label BePureHome and is a true eye-catcher in your living space. The rounded, sleek design gives this comfy sofa a modern look. Simple and significant, Sloping.

Material

The Sloping sofa is constructed from a combination of solid wood [fsc], chipboard [fsc], polyurethane foam with a density of 25 kg/m³ and a zigzag spring. The seat contains a polyurethane foam with a density of 30 kg/m³ (T3037). The Sloping series is upholstered with a woven chenille with a Martindale of 38,000. The Savoi woven fabric is made of 100% polyester chenille, which gives it a soft feel. The clearly visible weave pattern is given an extra dimension by the striking colour shades. These colour shades provide a tough look. Because the fabric is dyed by the thread, Savoi is known for its colourfastness.

Dimensions

The generous corner sofa has a total height of 77 cm, width of 225 cm and depth of 87 c...
