Create your ideal dining area with the elements from the Tablo series by Dutch interior design brand WOOD. Tablo has many combination possibilities and various sizes available to furnish your dining area in an exactly fitting manner. Choose, for example, this organically shaped table top with sturdy V-leg for a playful effect!

Material

Oak wood is characterised by its light brown tint with a soft yellow glow and clearly visible grain pattern. Oak generally dries very slowly, which can cause the natural process of cracking and discoloration. Oak wood is a natural product which deserves a visible stage, which is why we only use natural marks and natural character always 100% FSC-certified.
