With the WOOD Tablo series you can easily put together your own (dining room) table. Combine your favourite Tablo table base and leaf and create the dining area of your dreams. How cool is that!

## Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour shades. The grains, a yellow glow or dark lines and knots make sure that every mango wood item is unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.

## Dimensions

This mango wood Tablo table top has a length of 180 cm and a width of 90 cm, so you can easily sit 4-6 persons at it. The top is 5,5 cm thick. The tabletop has a curved edge on all four sides. The tabletop weighs 37.5 kg.

## Maintenance

Mango wood furniture is ea  
slightly damp, clean cloth. l
