The Rikkie coffee table is a sturdy item from the collection of the Dutch interior brand WOOD. Rikkie stands out thanks to the coarsely sawn mango wood on top and the slender black metal frame work. The warm grey-red hue of the mango wood gives a lot of atmosphere to the seating area and the generous top offers enough space for a chic decoration piece and your favourite drink and snack.

### Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour shades. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.
