The Tris stool, from the Exclusive collection by Dutch interior brand WOOD, is a stylish addition to your dining area. The Tris stool is upholstered in soft microfibre leather with a matt finish. This gives the stool a luxurious look. The black frame gives the stool a timeless look and a tough twist.

Material

The stylish stool is upholstered in microfibre leather with a soft grip and matt finish. The frame is made of metal with a light-gloss black powder coating. The metal in our collections has various finishes, such as powder coating and brass/antique brass. A powder coating provides a luxurious matt look and protects the metal for life. A powder coating is a lacquer that is bonded to the metal
