The Studio wall shelf, from the collection of the Dutch interior brand WOOD, is a must-have for every interior. Our wide wall shelves collection ensures that there is always a variant that fits your interior style. This stable base is a stylish stage for the most beautiful accessories and dearest photos.

Material

Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour nuances. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.
