Slim, subtle and friendly shapes. The Sara series, from the collection by Dutch interior design label WOOD, consists of various models and a large range of basic and trend colours. The softly rounded corners in combination with the comfortable upholstery ensure that Sara is a true eye-catcher in every interior! Which Sara will soon enrich your home?

### Material

Sara is constructed from a combination of FSC-certified hardwood and MDF. The seat is filled with VP30 foam, which provides a firm seating comfort. The foam seat is kept in shape by strong elastic bands.

Sara is upholstered in a light shiny velvet. Our Jarra velvet fabric has a luxurious look. The fabric feels fine and has a nice light sheen. The Jarra velvet consists of 100% polyester and has a full and heavy quality. The material is therefore suitable for intensive use (Martindale 100,000). Besides the stylish design, the velvet fabric remains beautiful for a long time. Our Jarra fabric will not pill easily and is colourfast. The fabric is, to the surprise of many, a very easy fabric to maintain.
