## DIRCK TABLE MANGO WOOD BLACK

basiclabel

Assembly required

Assembly required

### Additional description

- Organically shaped table
- To be used as a coffee table
- Shaped from robust mango wood
- H 40 cm x W 135 cm x D 60 cm

A drinks board, a bunch of roses or a luxury coffee table book. The Dirck coffee table, from the collection of the Dutch brand Basiclabel, offers enough space for your seating activities! The organically shaped top and the luxurious matte black shade create a chic yet playful design. The smooth mango wood can take a beating, so, is your seating area ready for Dirck?

### Material

The table is made of sanded mango wood with a matt black finish. Mango wood is known for its warm golden brown colour, sustainable growth and long durability. Mango wood is also characterized by clearly visible grain and colour nuances. The grains, a yellow glow or dark lines and knots make every mango wood item unique. Mango wood is very strong and one of the harder woods, therefore a mango wood item will not easily be damaged.
