Boost your seating area with this warm beige coloured rug. Rug Bricks, from the collection of Dutch interior design brand BePureHome, lives up to its name. The high-pile pattern is a brick pattern tufted into the rug. Strikingly subtle and playful!

## Material

The natural fibres (wool and cotton) are made into a rug by machine tufting. The underside has a protective, woven layer. The rug does not allow heat to pass through and is therefore not suitable for homes with underfloor heating.

## Dimensions

- Height: 1 cm
- Width: 170 cm
- Depth: 240 cm
- Weight: 7.5 kg

## Maintenance

To enjoy the rug for as long as possible, vacuum regularly without a brush and rotate it regularly so that no frills appear in the rug. In case of stains, remove them with a damp cloth.
