

Pillar marble look

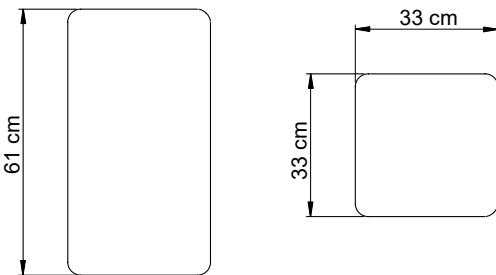

530-300-017 marble look black S

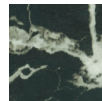

It looks like marble, it feels like marble and it could very well be marble...but it's not. It's lighter in weight, therefore easier to manoeuvre around your space.

Our Marble Pillars are available in three versatile sizes: L, M and S. Style them together or dot them around your space. The marble look pillars are the ultimate showcase piece of décor.
