The Tank vase, from the BePureHome collection, has a playful shape which is very suitable as a playful addition to your decoration set. The vase is fully waterproof and therefore very suitable for the most beautiful, fresh flowers. The strong pigment intensifies the green hue in the bouquet. So you can create the most beautiful flower decorations.

Material

Porcelain is formed from modelled, fired clay, quartz and feldspar. The porcelain items from our collections are glazed with a matte or glossy layer, giving them a striking appearance and extra protection of the material. Our porcelain items are suitable for indoor and outdoor use, but cannot withstand hard rain and frost. Porcelain is extremely heat-resistant but can be fairly porous when handled roughly, careful maintenance is therefore recommended.
